

# CASSATT'S MAN GOT \$307,000 IN STOCK AS GIFTS

Pennsylvania Road Official Tells How Friendship Counts.

PATTON IN RICH DEALS.

Everything Came Easy and His Superior Officers Knew of Holdings.

PHILADELPHIA, May 23.—W. A. Patton, assistant to President Cassatt, of the Pennsylvania Railroad Company, was a witness today before the Interstate Commerce Commission, which is inquiring into the alleged discrimination by the railroads in the distribution of coal.

He was asked to tell what interest he had in coal companies. Taking a list from his pocket he enumerated the various companies in which he held stock.

Mr. Patton proved an unwilling witness when he was questioned about his holdings in the Atlantic Coast Coal Company. The examination resulted in a tilt between the witness and Attorney Glasgow for the Commission and caused impatient comment by Commissioner Coughlin.

The controversy occurred after repeated efforts had been made by Mr. Glasgow to draw from the witness a positive statement as to whether he had paid any actual cash for his 400 shares in the company.

Mr. Patton made an explanation to the effect that he became interested in the land purchasing company through J. Howard Patton, who represented the interests of Col. George J. Huff. When the land was purchased, he said, the investors were obliged to pay their pro rata share, but as there had been no losses it was not necessary to pay in cash.

Concerning the Huff Coal Company, Mr. Patton said he thought he had five hundred shares, but was not certain, which he acquired in the same manner as his holdings in the Atlantic Coast Coal Company. He was asked if he ever held stock in the Columbia Coal Company. He said he had at its origin but it became a selling company and he sold his stock to a Greenburg ("What bank took it?").

"The Cassatt Bank."

The witness also told of other profitable deals.

The examination of Mr. Patton developed the fact that he held stock in a dozen coal companies, 640 shares of which, with a par value of \$37,500, he had a reported interest in. It was estimated he owned 700 shares which had been paid for.

How did you explain the fact, Mr. Patton, queried Mr. Glasgow, that you acquired principally through Greenburg? Huff said an enormous amount of stock.

Mr. Patton said he was born in West-Philadelphia and had been a life-long friend of Col. Huff. "Friendship," he said, "was the way."

These stocks were not given me for any favors I might be able to do the company," he said.

Were your superior officers aware that you owned this stock? asked Mr. Coughlin.

"I think Mr. Roberts and Mr. Thompson," said Mr. Cassatt.

And Mr. Cassatt?

Of course, it was generally known," replied Mr. Cassatt.

PHILADELPHIA, May 23.—At a meeting of the Board of Directors of the Pennsylvania Railroad Company held today a committee was appointed to investigate the allegations recently made before the Interstate Commerce Commission that certain officers of the Pennsylvania Railroad held stock in several coal companies.

No Extra Charge for It.

# PAINTER FALLS OFF BRIDGE; IS KILLED

Tumbles from Williamsburg Structure to River and Strikes on Log.

Jacob Ruckert, a painter working on the Williamsburg bridge, today was dashed to death in the East River. He fell 130 feet from a scaffolding and his head struck a floating log, killing him instantly.

Ruckert lived in Broadway, Williamsburg. With other painters he was at work on the iron work 130 feet from the New York tower, thirty feet out from the Delancey street dock end. Suddenly he was heard to scream and his companions turned to see him plunging to the river. Two men in a boat were almost beneath the falling form, and they rushed violently to escape. Ruckert struck head down, on the log. The crash nearly capsized the towboat. Boatmen dragged the body ashore.
